Wave" Action Lab ^[1]

About the Action Labs

The Action Labs are virtual sessions designed for each organizational priority and intended for managers (M1-2) and supervisors (S1-2). Each Action Lab is 90 minutes in length, where you will work on your specific situation connected to that organizational priority. By the end of the session, you will have a clear set of actions to take as next steps. Each lab is supplemented with a video, resource guide and optional consultation time.
